

AERO CLUB OF EAST AFRICA JUNE 2017: NEWSLETTER 4

The Aero Club of East Africa is proud to sponsor www.kenyawebcam.com which provides real-time views from 24 webcams across Kenya.

There are nine scenic cams located at Sweetwaters, Watamu, Diani, Kilaguni, Ngong Hills, Nanyuki, Masai Mara, Mt Kenya, and Mt. Kilimanjaro. These webcams are hosted by some of East Africa's finest hotels and lodges.

There are 15 weather cams, spread out from Wilson Airport and Orly Airstrip to Thika, Nyeri, Machakos, Chyulu, Timau, Lake Naivasha, OINaishu, Gilgil, Kericho, and Sotik. These cameras give aviators a real-time view of weather and visibility conditions at these locations.

ACEA and Kenya webcam now offer you the opportunity to take advantage of the hundreds of daily visitors to the site by advertising on www.kenyawebcam.com with live link to your homepage. Please get in touch with manager@aeroclubea.com for more information.

CHAIRMAN'S NOTE

Dear Members,

The year marches on at pace, and your Committee has been busy!

90 YEARS OF ACEA – we are still looking for volunteers to help plan events. Please contact management if you know anyone who can assist.

CONFERENCE FACILITIES – remember that the Club's two Conference Rooms are available for hire to Members at preferable rates. Please contact the Club for more information.

FITNESS GYM – we have some proposals, but are still looking for a professional operator to set up a Gym at the Club. Please advise management if you have any preferences.

ACCOMMODATION ROOMS – works are well underway to convert the old General Managers Cottage into three new rooms. These promise to be our best accommodation.

CASHLESS PAYMENTS – Following several incidents, we are moving to a new Cashless system for the Bar and Rooms. This will involve "loading" a Membership Card with funds. Please contact Management if you have queries.

EVENTS – a camping weekend is being planned for Orly. We will keep you posted.

Kind regards

Simon Herd
